

MISSIONS TO KIRIBATI

Dear Brothers and Sisters in Christ,

The intense sound of Hindu drums could be heard last Sunday as the church neighbors offered sacrifices to one of their many gods. However, our church members were not distracted. No, they sang even louder as we offered praise to our God, the one and only true living God! Truly it is exciting to be a part of the Lord's work, and to see people turn from these false religions that offer only enslavement to the freedom which God offers through salvation. No longer are they in bondage to sin, but are made free through the blood of Jesus Christ. Praise be to God!!

This past month marked both the beginning of sugar cane season and also winter here in Fiji. We are thankful to the Lord for the much cooler weather. It has been a sweet relief from the extreme tropical heat we have experienced since our arrival in February. This season is also a busy time in the life of our church. Our Bible College students are on break and have been helping us with many church ministries and activities during their time at home.

This month we hosted a five day Bible club on the church property. The college students were eager to assist. With over 80 children in attendance, we were grateful to have many helpers. The Lord used this outreach to see many children come to know Him as their personal Savior. We are praying that we will be able to continue this Bible club along with the ones we currently have in two housing developments. Please pray for this ministry as we reach out to show these dear children that Christ loves them.

Thank you for your prayers and special gifts concerning the Bible project in the I-Kiribati language. It has been trying over the past few months as so many doors have been shut concerning the printing of these Bibles. We have learned to trust the Lord for His perfect timing and for His will to be done. We are excited to tell you that we have found an original copy of a Bible Hiram Bingham translated into the I-Kiribati language which no longer has a copyright. What a blessing from the Lord!! Please pray as we begin the process of getting it printed. Pray the Lord would direct every step and give us His wisdom. If you have any other questions concerning this project, feel free to contact us.

Currently we are discipling two ladies from Rabi (Rumbi). Rabi is an island here in Fiji inhabited by I-Kiribati people. It has been a blessing to see their tender hearts and exciting to see the Lord at work in their lives. Please pray for Tiare (Saray) and Berniti (Bernice) as they seek to please the Lord with their lives. These dear ladies speak the I-Kiribati language and have been assisting us in our language studies. They have been a blessing in our lives.

Last week my brother, Wendy and their girls flew back to the USA for furlough. For the next month we will be looking after both my parent's ministry here in Lautoka and also their ministry two hours away in Sigatoka. We praise the Lord for Pastor Samu and his family, a national pastor who is assisting in the ministry in Sigatoka. Please pray for us as we have a very busy schedule this upcoming month.

Thank you for your continued prayers and support as we strive to reach Kiribati and the South Pacific with the Gospel of our Lord Jesus Christ.
